

ECOPA Air Safety Seminar- September 2013

1. George Samara, retired Navy and corporate pilot, will discuss whether the bare minimum FAA requirements will make you safe to fly.
2. John Marinaro, NASA Glenn safety supervisor, will examine the performance characteristics of the plane and the NTSB report of the take-off accident. He'll also discuss how to think about safe take-offs.

Directions: I-77 to Rt. 224 E-Exit Kelley Ave. Turn left off ramp. Go north 1 mile. Turn right, east on Triplett Blvd. At bottom of hill, turn right at traffic light by Coca-Cola plant. Continue straight ahead thru airport gate. Parking is to the right of hangar D. Meeting is in hangar D19/D20.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
